

PATENT  
450111-03686IN THE SPECIFICATION

At page 1, before the paragraph beginning, "This invention relates to code-division-multiple-access (CDMA) wireless communication systems . . ." add the following section headings:

BACKGROUND OF THE INVENTION(1) Field of the Invention

At page 1, prior to the paragraph beginning, "CDMA is a crucial technology for third-generation (3G) wireless communication systems . . ." add the following section heading:

(2) Description of the Related Art

At page 3, prior to the paragraph beginning, "The present invention seeks to provide a method for detecting data efficiently . . ." add the following section heading:

BRIEF SUMMARY OF THE INVENTION

At page 6, prior to the paragraph beginning, "An embodiment of the invention will now be described . . ." add the following section heading:

BRIEF DESCRIPTION OF THE DRAWINGS

At page 7, prior to the paragraph beginning, "In the following explanation of the embodiment . . ." add the following section heading:

DETAILED DESCRIPTION OF THE INVENTION

PATENT  
450111-03686

At page 21, after the heading "ABSTRACT" delete the section heading as follows:

~~Multiple User CDMA Wireless Communication System~~

At page 21, line 15 delete the section heading as follows:
